Sherman Centre: Classroom Activity

One class session

How much time do you have for this activity?

One session is enough to explore an existing tool. Did you have one in mind?

Yes

Why this tool? What makes it interesting? What research questions can it explore?

Is the material you want to work with in a digital format?

Yes

Are you expecting us to digitize it for you?

Yes

Sorry, we don’t do that. Talk to whoever has the material, come back when it’s digitized. We might digitize in the future, check back in a year or so.

No

No

SCDS will suggest some tools; please explore and loop back to us.

No

1-hour consultation

Are there questions that you have about how the tool works or its application to your topic?

Yes

Do you have permission? Is it public domain?

Yes

Do you have permission to work with it in a restricted access site?

Yes

Activities we could work with you on:
- Fusion tables
- Annotating text
- Presenting material in a CMS
