Highly codified interfaces reduce the spectrum of possible input to a few keywords or algorithmic parameters.

Those who were formerly scholars or experts in a certain area are now recast as mere tool users beholden to the affordances of the tool

—while students spend ever more time mastering menus and buttons, becoming literate in a digital device rather than a literary corpus.

Voyant Tools is a web-based reading and analysis environment for digital texts.

Burton

p>In the first frames of "This One Summer," a graphic novel written by Mariko Tamaki and illustrated by her cousin Jillian Tamaki, a father carries his sleeping daughter down a driveway to a cottage in the dark. This is Awago Beach, where Rose Wallace's family has been coming "since . . . like . . . forever." Or, more precisely, since Rose, who is now either an old tween or a young teenager (we don't learn her exact age), was 5.

This corpus has 5 documents with 3,897 total words and 1,321 unique word forms. Created 2 seconds ago.

Document Length:

- Longest: [Burton](#) (839); [Fitzpatrick](#) (822)
- Shortest: [Morzi](#) (682); [Rude](#) (773)

Vocabulary Density:

- Highest: [Whitlock](#) (0.580); [Fitzpatrick](#) (0.534)
- Lowest: [Rude](#) (0.442); [Burton](#) (0.502)
